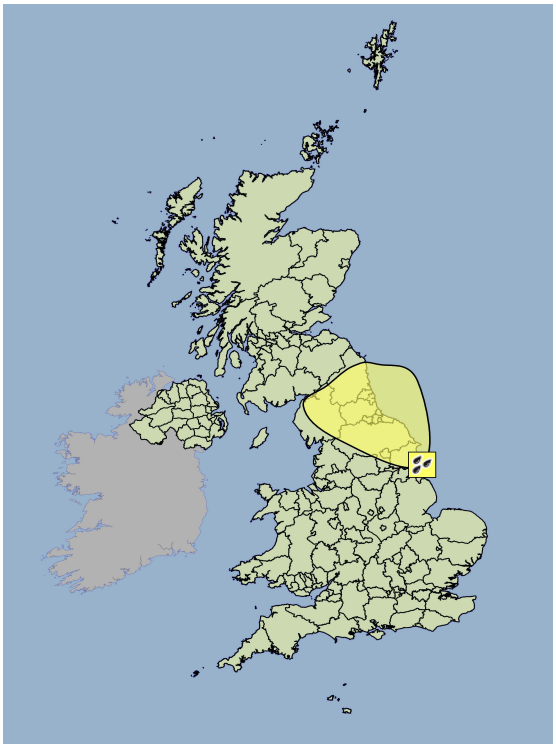
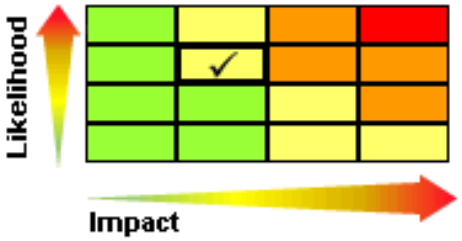
National Severe Weather Warning Service





Chief Forecasters Assessment
The air mass over the area will turn more unstable through Tuesday afternoon, allowing scattered, heavy showers to develop. 10-15 mm in the hour is likely locally, though many places will escape the worst.

The Met Office have issued a **Yellow Alert** of **Rain**

Valid from **15:00 on Tue, 20th May 2014** until **22:00 on Tue, 20th May 2014**

Thundery downpours are expected to develop on Tuesday afternoon, lasting into the evening. The public should be aware of the risk of spray on roads and local surface water flooding.
